

## MEDICARE SAVINGS PROGRAM TESTIMONIAL

Before the implementation of the Medicare Drug Program in 2006, Jane Smith ordered regularly through Canada Drugs. In 2006, she began ordering her prescriptions through her Medicare Insurance Provider: Secure Horizons.

From 2006 to the end of 2008, she spent approximately \$1,300.00 out of pocket on an annual basis in prescription and Medicare costs.

Since taking advantage of our Personal Savings Strategy, she can look forward to spending approximately \$760.00 in total out of pocket costs for her prescriptions in 2009, thus **saving her approximately \$500.00 over the year.**

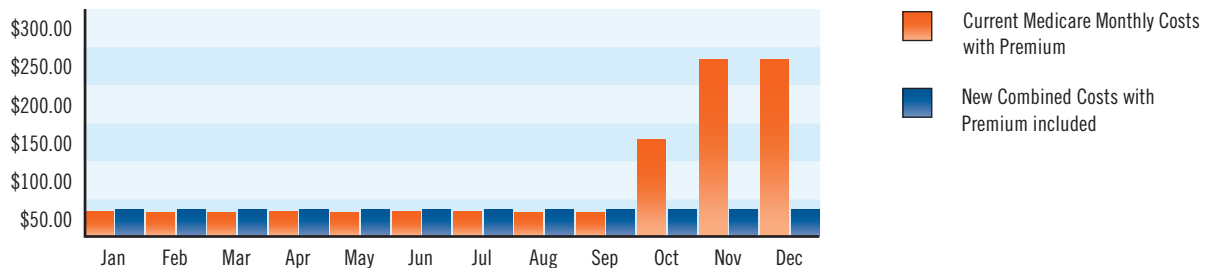

Jane Smith's Total out-of-pocket Medicare costs for 2008:	<b>\$1267.08</b>
Annual out of Pocket costs through Canada Drugs:	<b>\$300.00</b>
Annual Medicare Premium:	<b>\$464.76</b>
Canada Drugs Balanced Prescription Strategy costs:	<b>\$764.76</b>
Annual Savings through Combined Strategy:	<b>\$502.32</b>
